WILLIAM THOMSON
DEPUTY AUDITOR GENERAL

June 1, 2005

Governing Board
Riverside Elementary School District No. 2
1414 South 51st Avenue
Phoenix, AZ 85043-8016

Members of the Board:

In our December 17, 2004, compliance review report we notified you that the District had not complied with the *Uniform System of Financial Records* (USFR) for the year ended June 30, 2003.

We have since reviewed the District's audit reports and USFR Compliance Questionnaire for the year ended June 30, 2004, to determine whether the District was in compliance with the USFR as of that date. Based solely on our review of these documents, the District has complied with the USFR.

However, we noted that the District still had numerous internal control deficiencies cited by its auditors in the management letter and the USFR Compliance Questionnaire. These deficiencies indicate that the District's internal controls are especially weak in the areas of student attendance reporting and expenditures.

Although the cited deficiencies do not cause substantial noncompliance, the District must take corrective action to continue to satisfactorily comply with the USFR or the District may again be found in noncompliance with the USFR.

If you have questions concerning the deficiencies or how to correct them, or would like a written summary of deficiencies with recommendations for correction, please call Magdalene Haggerty, Accounting Services Director, or Gregg Rickert, Accounting Services Manager, at (602) 553-0333.

Sincerely,

Debra K. Davenport
Auditor General
